## Bret Moody Brewmaster

*Bret Moody* is the brewmaster at Hereford and Hops of Bay City, Michigan. He attended Cielbel Institute in Chicago, Illinois where he received his brewery training. Bret prepared for his position in Bay City from 1997-1999 while working in Escanaba Hereford and Hops. All of the beer recipes are exclusive to Hereford and Hops. Karl Strauss, a retired “brewmeister” from Germany developed the recipes especially for H and H.

Bret attended Wayne State University, as well as Western Michigan University, where he majored in music studies. Although his career is focused on brewing lagers and ales, he continues to pursue his musical interests. His instrument of choice is the guitar.

Bret moved to Bay City in July of 1999. He began his first “brew” in December 1999. H & H of Bay City officially opened February 29<sup>th</sup>, 2000.
