EASTERN MICHIGAN UNIVERSITY

MS Degree in Continuous Improvement (Quality) Methods

Join other professionals in post-graduate study culminating in an MS degree with a major in Quality. The program is currently offered in Ypsilanti, Livonia, and Flint. It has also been offered at other public sites in Michigan and at dedicated corporate locations. Please call for further information if a corporate site better suit your needs.

Our students are typically mid-career individuals with quality-related responsibilities in areas such as manufacturing, social services, education, construction, food services, finance, government, healthcare and printing. The curriculum consists of 30 semester hours and includes: Value Analysis, Cost of Quality, Human Factors in Continuous Improvement, Lean Practices, Customer Satisfaction, Quality Systems: Practice & Theory (TQM), Quality Planning, Operational Auditing, Statistical Process Control (SPC), Design of Experiments, Geometric Dimensioning & Tolerancing, Reliability, Research Methods, and a capstone research project or thesis. The program can be tailored to meet the diverse needs of any organization seeking to improve. Those applying to the program must have a baccalaureate degree with an overall grade point average of 2.5. Note that individual courses may be taken prior to admission to the graduate degree program.

For further information, send e-mail to Bob Chapman at: CHAPHOOK@AOL.COM, or call the Department of Industrial Technology at: 734-487-2040.
